WON IN WALK**

A. and M. beat Southwestern Industrial Institute again yesterday afternoon, 6 to 1. The Aggies could not hit Thompson effectively, but profited by the visitors' errors. The Louisianians were unable to hit Smith in the pinches. Thompson's pitching and the catching and base running of Ellis for the Aggies were the features of the game.
The score: R. H. E.
A. and M. 6 6 2
S. I. L. 1 7 6
Batteries—A. and M., Smith, Graham and Ellis; S. I. L., Thompson and Story.

**BETTER CATTLE FOR
BRAZOS COUNTY.**

Mr. C. S. Jones has received a shipment of Polled Hereford bulls from Coleman county. This speaks well for the cattle industry of Brazos county. The stock business should receive careful consideration and nothing will give it greater impetus than the keeping of good sires. Now that the passport has been prepared for the tick, let the people prepare for more and better cattle.

Delicate Children Need Exercise.

"The question of exercise for the delicate child is one that should receive a great deal of thought and attention," says Dr. Roger H. Bennett in the March Woman's Home Companion. "Fatigue must be avoided, but the proper amount of exercise is absolutely necessary. In the city delicate children are often taken upon long walks over the pavements, and become thoroughly tired from too much exertion. The ideal method of getting exercise is in play. If there is something to stimulate the interest in the play and make the exercise entertaining, particularly the association with other children, one need not worry about the delicate child getting too much exercise."

"It is a serious matter to advise taking children out of school or to delay the beginning of their education, and advice upon this subject should never be given without carefully considering all sides of the problem; but in spite of the great importance of education, health is first to be considered. Delicate children should be taken out of school, for a time at least, if it is found that they are failing in health. Nowadays, in many of the cities, fresh air schools are popular and this often helps in deciding the problem. Even delicate children may attend an outdoor school all winter with only a few days' interruption in the severest weather. The notoriously bad air of many schools is thus done away with, and it is remarkable how alert the child's mind is when he is studying in the open air."

"Bliggins says he got on by burning the midnight oil." "Well, keeping late hours did help him some. He danced all night three or four times a week till finally he met a rich girl and married her."—Buffalo Courier.

CRUSH PEANUTS AT NAVASOTA.

Navasota, Texas, March 9.—The Schumaker oil works started Wednesday morning on a 250,000 pound peanut crush. These are the first peanuts crushed in this county. There was a large number of business men and farmers present to see the work started. The secretary of the Chamber of Commerce took samples of the first oil and cake for the show room. The acreage in Grimes county this year will be increased at least 100 per cent.

**EVER SALIVATED BY
CALOMEL? HORRIBLE!**

Calomel is Quicksilver and Acts Like Dynamite on Your Liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel, just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Perfectly harmless and doesn't gripe. Give it to the children because it is perfectly harmless and doesn't gripe.

Big G Is effective in treating gonorrhea, urethritis, prostatitis, and all venereal diseases. Sold by druggists. Parol Post if desired—Price \$1.00, 6 bottles \$2.25. Prepared by THE EVANS CHEMICAL CO., CINCINNATI, O.

NOTICE OF ELECTION.

WHEREAS, under ordinance it was ordered that the qualified voters of the City of Bryan that a charter commission be appointed to frame a new charter;

AND WHEREAS, said Commission was appointed and they reported their action, together with said charter to the City Council of the City of Bryan on the 9th day of February, A. D. 1917, and that the said charter commissioners, who so framed said charter, fixed the date of submitting the charter to the qualified voters of the City of Bryan on the 23rd day of March, A. D. 1917, same being not less than Forty (40) days nor more than ninety (90) days after the completion of the work of the charter commission.

It is, therefore, ordered that an election be held in said City of Bryan on said 23rd day of March, A. D. 1917, and that all qualified voters of the City of Bryan are entitled to participate in said election, and that those in favor of said charter shall have written or printed on their ballot "For the adoption of the charter," and those against the adoption of said charter shall have written or printed on their ballots "Against the adoption of the charter."

That said election shall be held under the General Election laws of the State of Texas now in force; and C. E. Jones is hereby appointed Presiding Judge of said election and M. L. Vitopl and Elmer Dodson, Judges and they are authorized to secure such additional clerks as may be required to hold such election; said election shall be held at the City Hall of the City of Bryan, and the polls shall be open from 9 a. m. to 7 p. m. as provided by law; said officers of said election are ordered to hold said election and make due return of same
